## **CALL FOR PAPER**

*Bratislava – Slovakia, EU*

"SK- Academic Publishing" in cooperation with "IGoAR" invites all researchers of Legal Sciences, Economic and Social Sciences, and from Information Technology and Education to take part in multidisciplinary conference "**SKAP Multidisciplinary Summer Conference 2015**" Nr. 2, with ISSN and impact factor in English or German language.

The primary goal of "**SKAP Multidisciplinary Summer Conference 2015**" is to promote research and development activities, to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world. Virtual Conferences will be held periodically to make it an ideal platform for people to share views and experiences.

We would like to highlight; this year edition of this conference is aimed especially for students and young researchers but not limited to novice researchers only.

We invite all authors to prepare a short presentation (paper) on Global Scientific problems to deliver state-of-the-art analysis, inspiring visions and innovative research methods arising from interdisciplinary and genuine research.

**Email for submitting the papers of conference is:  
multidisciplinaryconference\_sk@yahoo.com**

*Please send this **call for paper** to any of your collage that has potentials for participation in the conference!!!*

## Presentation Formats

**Synchronous:** Interactive webcasts are offered in real-time, while presenters show visuals such as PowerPoint slides with desktop applications. Participants had opportunity to interactive with the presenters in real time (or by email).

**PowerPoint slides Presentation:** Participants should prepare a PowerPoint presentation of the paper with a maximum of 12 and minimum 5 slides. In this case its highly valued if the presenter insert comments in the presentation as well as the key points of the paper; including abstract, introduction, theoretical overview, methodology, data analysis and the results of research, conclusions, recommendations and literature.

**Virtual Poster Sessions (Asynchronous):** In addition, asynchronous poster sessions selected only for virtual presentation will be available when the Virtual Conference launches, as Power Point Presentation.
